

MUG CLUB MEMBERS

Happy New Year to you all!

We at Nimble Hill have certainly missed all of you!

Due to the pandemic and regulations the owner, Gary, has decided to extend your memberships for another year!

We hope that at some point in this coming year you will be able to come in again and enjoy our beers in your mugs.

You are welcome to pick up your Mugs to enjoy them until we open for on premise consumption again.

Until then, do not forget about the Mug Club 10% off
Flagship growler fills!

We appreciate your continued support and hope to see you all soon!
